[redacted] who has visited CIA Headquarters previously and speaks fluent English will accompany [redacted] DDP requested that [redacted] be given a tour of the FMSAC Center during 1000-1100 and has promised to give us the exact time when the complete schedule for the visitor is set up. It was agreed that the same security arrangements would prevail as when DDP brought the Head [redacted]

2. Because of the fact that DDS&T has no direct relationship on technical collection with the [redacted] and, in view of inherent sensitivity of the situation, Mr. Duckett will conduct the briefing and tour [redacted] in the FMSAC Center himself.
